

Memorandum

MIAMI-DADE
COUNTY

Date: April 3, 2012

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Contract Award Recommendation in the Amount of \$ 1,126,286.56 to Solution Construction, Inc. for the People's Transportation Plan Project Entitled Intersection Improvement Contract - Countywide and Authorizing the Use of Charter County Transportation Surtax Funds

Agenda Item No. 8(M)(4)

Recommendation

The attached Contract Award Recommendation for the People's Transportation Plan (PTP) project entitled *Intersection Improvement Contract - Countywide* (Project MCC 7360 Plan - CICC 7360-0/08 Request for Price Quotation (RPQ) No. 20110131) in the amount of \$ 1,126,286.56 to Solution Construction, Inc. (Solution) was prepared by the Public Works and Waste Management Department (PWWM) and is recommended for approval by the Board of County Commissioners (BCC).

Proceeds from the Charter County Transportation System Sales Surtax (Surtax) will be used to fund this project; therefore, review by the Citizens' Independent Transportation Trust (CITT) is required before final approval by the BCC.

This contract award recommendation is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This contract award recommendation may only be considered by the BCC if the CITT has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item.

Scope

The work to be performed under the life of this Contract includes intersection improvements at various locations within Miami-Dade County.

Fiscal Impact/Funding Source

The fiscal impact will be approximately \$ 1,126,286.56 and will be funded from the Surtax. The base contract amount is \$ 974,363.00, with the total amount being inclusive of contingency and dedicated allowances. There are no recurring operating or maintenance costs anticipated with this Contract.

The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from the respective Commission District PTP yearly allocations. The funding index code for this project is CPEPTP600INT.99122.

Delegation of Authority

No additional authority is being requested within the body of this Contract.

Track Record/Monitor

Solution is currently performing work for PWWM at a satisfactory level. PWWM has reviewed the Capital Improvements Information System (CIIS) database and found 21 awarded construction contracts as follows:

- four from the Internal Services Department,
- one from the Public Housing and Community Development Department,
- ten from the Parks, Recreation and Open Spaces Department,
- two from the Water and Sewer Department, and
- four from PWWM.

The referenced database also lists a total of 19 contractor performance evaluations with an overall performance rating of 3.6 (satisfactory performance), out of a possible 4.0 (superior performance) rating.

The Sustainability, Planning and Economic Enhancement Department (SPEED) History of Violation's report lists one (1) open violation for \$ 41,909.84 due to the Utilization of a Non Certified Small Business Enterprise (CSBE) Firm for CSBE/Set-Aside Work. Solution submitted a letter dated November 1, 2011 (attached) to SPEED acknowledging its make-up plan requirement with its bid submittal indicating that they will not be able to achieve a make-up on this Contract as they are self-performing the remaining portions of the contract. SPEED requested clarification of Solution's intent in its letter dated December 15, 2011 and later determined that the information contained in the November 1, 2011 letter was sufficient. As a result, SPEED found that Solution fulfilled the contract measure requirement and is in compliance with the Implementing Order No. 3-22 for this Contract.

According to the Florida Department of State, Division of Corporations, Solution Construction, Inc., Company Principals are Andres Correa and Lain Ruiz and the Company's address is listed as 7955 NW 12 Street, Suite 425, Doral, Florida 33126.

Following PWWM's standard operating procedures, after award of this Contract, a pre-construction meeting will be scheduled. The responsible staff person for PTP projects in PWWM is Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day-responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting (MCC) process available under the MCC 7360 Program. Through this process, PWWM forwards a RPQ, by way of facsimile transmission, to a pool of firms that have registered with the Internal Services Department for the respective trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM staff submitted its contract measure recommendation for CSBE participation on August 15, 2011. SPEED completed its Project Review and Analysis process on October 3, 2011, with established Trade Set-Asides for Traffic Stripes and Markings, and Concrete Work as required for compliance with Implementing Order No. 3-22. A Community Workforce Program Goal is not applicable for this Contract.

Subsequent to SPEED's Project Review and Analysis, PWWM forwarded RPQ No. 20110131 for an Intersection Improvement Contract, utilizing the MCC 7360 Plan - CICC 7360-0/08, to a list of 58 pre-registered firms. A total of seven (7) firms purchased contract documents and five (5) firms proffered a bid.

On November 2, 2011, Metro Express, Inc. proffered the apparent lowest bid (\$ 923,295.50), but was found "Non-Responsive" by SPEED for failure to submit a goal deficit make-up plan at the time of bid submittal, as required by Ordinance No. 09-41. The next apparent lowest bidder, Quality Construction Performance, Inc. (QCP) did not identify a certified CSBE firm to perform the Traffic Stripes and Markings and Concrete Work. SPEED notified QCP in writing that their bid documents submitted did not comply with the CSBE measures applied to the contract. The firm did not request a meeting to provide additional documentation and clarification to assist in the compliance review. QCP was therefore found "Non-Compliant" with Implementing Order No. 3-22. The third apparent lowest bidder, Quality Paving Corp. was found "Non-Responsive" by SPEED for failure to submit the required Schedule of Intent (SOI) Affidavit. As such, Solution proffered the lowest responsive, responsible base bid of \$ 974,363.00, three percent below the County's cost estimate; and the next lowest bidder, Morlic Engineering Corporation, proffered a base bid of \$ 1,094,098.05, thirteen percent above the lowest bidder. Therefore it is recommended that the subject project be awarded to the lowest responsive, responsible bidder, Solution, with the stipulation that approval of this recommendation must be obtained from the CITT and the BCC in accordance with PTP guidelines. On January 18, 2012 the Recommendation for Award to Solution was filed with the Clerk of the Board (COB). In accordance with Sections 2-8.3 and 2-8.4 of the Code of Miami-Dade County, as it relates to bid protests, a notice of Intent to Award was sent to all four (4) non-prevailing bidders and as such, no bid protests have been received by the COB.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for intersection improvements. This work includes construction of asphaltic concrete road base and surface, pavement removal, pavement milling and markings, signage, drainage, sidewalks, concrete curbs and gutters, and traffic calming devices.

Re: **Recommendation for Award**
Public Works and Waste Management Department (PWWM)
Request for Price Quotation (RPQ) No. 20110131 (MCC 7360 Plan – CICC 7360-0/08)
People's Transportation Plan (PTP) Intersection Improvement Contract

Dear Mr. Correa:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, November 2, 2011. The total RPQ amount is for one million one hundred twenty-six thousand two hundred eighty-six dollars and fifty-six cents (\$1,126,286.56). This includes a base contract amount of nine hundred seventy-four thousand three hundred sixty-three dollars and zero cents (\$974,363.00), a contingency amount of ninety-seven thousand four hundred thirty-six dollars and thirty cents (\$97,436.30), and dedicated allowances totaling fifty-four thousand four hundred eighty-seven dollars and twenty-six cents (\$54,487.26). The contract duration is established as **540-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7360 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract MCC 7360 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded. Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work.

Page 2
Recommendation of Award
RPQ No. 20110131

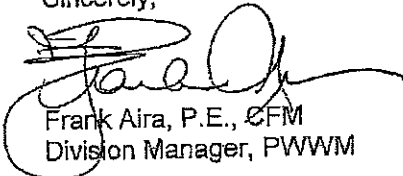

No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s). This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, this contract, along with any future contracts awarded to your firm, have very similar completion schedules and competing deadlines. Please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. This will result in your firm working on multiple contracts concurrently. Lack of equipment and/or personnel will not be reason for delay.

Further, it shall be understood that since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Should you have any questions please contact me at (305) 375-2930.

Sincerely,

Frank Aira, P.E., CFM

Reference: Miscellaneous Construction Contract 20110131

This letter shall certify that Solution Construction, Inc. will not be able to achieve any CSBE make up on this contract. We self perform all portions of this contract. In addition we are meeting the Trade Set Aside Goal, which we will also self perform 50% of the concrete work as required by county ordinance. All the street striping and signage will be performed by a CSBE firm as required.

Thanks.

Dear Mr. Hardie:

The Department of Small Business Development (SBD) has completed the review of your application and attachments submitted for certification. Your firm is officially certified as a Community Small Business Enterprise (CSBE) in the categories listed below.

This certification is valid for twelve (12) months, which will expire on December 31, 2011. This certification affords your company the opportunity to benefit from participation in county contracts with small business measures. Please note the trade categories listed below. These are the only sheltered market areas that your company is eligible to bid or participate in under your current certification.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you are required to notify this department within 30 days in writing. It is of critical importance that current information regarding your company be maintained. All inquiries or changes related to this certification should be directed to Lawanda Wright-Robinson at lwaward@miamidade.gov in the Certification Unit. An application for re-certification must be submitted and forwarded to this office four (4) weeks prior to the referenced expiration date. Should your firm fail to re-certify, or lose its certification for any reason, the ability to work on contracts with measures will be affected. Thank you for doing business with Miami-Dade County.

Sincerely,

Penelope Townsley
Director

Subject: Compliance Review (Revised)
MCC 7360 Plan, CICC 7360-0/08, Request for Price Quotation No. 20110131,
Intersection Improvement Contract

On December 2, 2011, Small Business Development completed a review of the subject project for compliance with the Community Small Business Enterprise (CSBE) Program for Construction Services. The contract measure established for this project is a Trade Set-Aside for Traffic Stripes and Markings: Painted and/or Thermoplastic and a Trade Set-Aside for Concrete Work: Sidewalks and/or Curb and Gutter.

Bid-documents were submitted for the following three (3) firms: Quality Paving Corp., Metro Express, Inc., and Quality Construction Performance, of which none were found in compliance or responsive to the Implementing Order for the CSBE Program. Subsequently, The Contracts & Specifications Section of the Public Works and Waste Management Department (PWWMD) submitted bid documents from Solution Construction, Inc. and Morlic Engineering Corporation and requested a compliance determination be completed. Following is the pre-award compliance status and summary.

STATUS:

- | | |
|-----------------------------------|-----------|
| 1. Solution Construction, Inc. | Compliant |
| 2. Morlic Engineering Corporation | Compliant |

SUMMARY:

Solution Construction, Inc. (#4), a certified CSBE firm, submitted a Schedule of Intent (SOI) Affidavit committing to perform 50% of the sitework/concrete work with its own forces. Hartec Group, Inc., a certified CSBE firm, was also listed on the SOI Affidavit to perform concrete work at 50%. A SOI Affidavit was also submitted which listed Lines Unlimited, Inc., a certified CSBE firm, to perform striping/signage/paint work. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. Solution Construction, Inc. has a goal deficit make-up balance in the amount of \$41,909.84 for Project No. POPR0701050 46440. Ordinance No. 09-41, which amended the Community Small Business Enterprise (CSBE) program, §10-33-02 of the Code of Miami Dade County, requires a contractor with a pending CSBE make-up to submit a make-up plan and corresponding Schedule of Intent Affidavit (SOI) as part of any bid or proposal submitted for future contracts at the time of bid or proposal submittal. Solution Construction, Inc. submitted a letter acknowledging its make-up plan requirement with its bid submittal indicating that they will not be able to achieve a make-up on this contract as they are self-performing the remaining portions of the contract. Solution Construction, Inc. fulfilled the contract measure requirement and is in compliance with the Implementing Order for the purchase of Construction Services.

Morlic Engineering Corp. (#5), submitted two (2) required Schedule of Intent (SOI) Affidavits for the following CSBE certified firms: Barreiro Construction to perform concrete work and Lines Unlimited to perform traffic marking. Each firm signed its respective SOI Affidavit in agreement with the information listed. Morlic

Dear-Mr. Correa:

In reviewing your letter addressing a make-up plan submitted along with the subject project bid, Small Business Development (SBD) finds that the information contained in the letter is sufficient as acknowledgment that you are aware of the make-up plan requirement and have made an effort to incorporate additional Community Small Business Enterprise (CSBE) participation.

In the event you are awarded this project or others with Miami-Dade County, we ask that you review available work throughout the life of the projects. When appropriate, submit a make-up plan and Schedule of Intent (SOI) for additional CSBE participation to be counted towards make-up requirements.

Please disregard the letter sent requiring clarification by close of business on Wednesday, December 21, 2011.

Should you have any questions or need additional information, do not hesitate to contact Kelly Duncombe at (305) 375-3136.

Sincerely,

RE: People's Transportation Plan (PTP) Intersection Improvement Contract
RPQ No. 20110131

Dear Mr. Correa:

The Small Business Development (SBD) Division of Sustainability, Planning and Economic Enhancement Department (SPEED) is reviewing the above referenced project for compliance with the Implementing Order for the Community Small Business Enterprise (CSBE) Program. The contract measures applicable to this project are a Trade Set-Aside for Concrete: Sidewalks and/or Curb and Gutter and a Trade Set-Aside for Traffic Stripes and Markings: Painted and/or Thermoplastic.

Solution Construction, Inc. has a goal deficit make-up balance in the amount of \$41,909.84 for Project No. POPR0701050 46440. Ordinance No. 09-41, which amended the Community Small Business Enterprise (CSBE) program, §10-33-02 of the Code of Miami Dade County, requires a contractor with a pending CSBE make-up to submit a make-up plan and corresponding Schedule of Intent Affidavit (SOI) as part of any bid or proposal submitted for future contracts at the time of bid or proposal submittal.

An SOI Affidavit was submitted by Solution Construction indicating that it would perform 50% of the concrete scope of work with its own forces and subcontract the remaining 50% to Hartec Group, a certified CSBE firm. An SOI Affidavit was also submitted which listed Lines Unlimited, Inc., a certified CSBE firm, to perform the striping/signage/paint work. With its submittal, Solution Construction included a letter indicating that it would not be able to achieve any CSBE make up on this contract and that your firm will self perform all portions of this contract.

Please provide clarification as to the specific reason why (outside of the fact that Solution Construction, Inc. is choosing to self perform all portions of this contract) Solution Construction did not identify a certified CSBE firm to fulfill any portion of its Goal Deficit Make-Up on this project. This information must be submitted to my attention no later than the close of business on Wednesday, December 21, 2011.

Should you have any questions or need additional information, do not hesitate to contact Kelly Duncombe at (305) 375-3136.

Sincerely,

Small Business Development has completed its review of the subject project for compliance with the Community Small Business Enterprise (CSBE) Program for Construction Services. The contract measure established for this project is a Trade Set-Aside for Traffic Stripes and Markings: Painted and/or Thermoplastic and a Trade Set-Aside for Concrete Work: Sidewalks and/or Curb and Gutter.

The Contracts & Specifications Section of the Public Works and Waste Management Department (PWWMD) has submitted bid documents from Quality Paving Corp. (#1), Metro Express, Inc. (#2), and Quality Construction Performance (#3) for compliance review. Following is the pre-award compliance status and summary.

STATUS:

- | | |
|-------------------------------------|----------------|
| 1. Quality Paving Corp. | Non-Responsive |
| 2. Metro Express, Inc. | Non-Responsive |
| 3. Quality Construction Performance | Non-Compliant |

SUMMARY:

Quality Paving Corp. (#1), a certified CSBE firm, failed to submit the required Schedule of Intent (SOI) Affidavit. Pursuant to the Implementing Order for the CSBE Program for the purchase of Construction Services, bidders who fail to submit the SOI Affidavit shall be considered non-responsive. As such, Quality Paving Corp. is non-responsive to this project's CSBE Trade Set-Aside requirements.

Metro Express, Inc. (#2), submitted Schedule of Intent (SOI) Affidavits committing to utilize Road Runner Striping, a certified CSBE firm, to perform striping work and Sagua Construction, Inc. a certified CSBE firm, to perform the concrete pavement scope of work. Each firm signed its respective SOI Affidavit in agreement with the information listed. Metro Express has a goal deficit make-up balance in the amount of \$78,760.05 for Project No. 630022. However, Metro Express, Inc. did not submit a goal deficit make-up plan at the time of bid submittal as required pursuant to Ordinance No. 09-41 amending the Community Small Business Enterprise (CSBE) program, §10-33-02 of the Code of Miami Dade County, to require a contractor with a pending CSBE make-up to submit a make-up plan and corresponding Schedule of Intent Affidavit (SOI) as part of any bid or proposal submitted for future contracts at the time of bid or proposal submittal. As such, Metro Express, Inc. is non-responsive to the Implementing Order for the CSBE Program for the purchase of Construction Services.

Quality Construction Performance (#3), a certified CSBE firm, submitted a Schedule of Intent (SOI) Affidavit committing to perform 100% of the scope of this project with its own forces. As a certified CSBE firm, a Prime Contractor may perform up to fifty percent (50%) of a CSBE Trade Set-Aside with its own forces. The required SOI Affidavits were not submitted identifying a certified CSBE firm to perform the Traffic Stripes and Markings (Painted and/or Thermoplastic) and Concrete Work (Sidewalks and or curb and gutter). SBD notified Quality Construction Performance in writing that their bid documents submitted did not comply with the CSBE measures applied to the contract. The firm did not request a meeting to provide additional documentation and clarification to assist in the compliance review. Quality Construction Performance is not in compliance with the Implementing Order for the CSBE Program for the purchase of Construction Services.

Please note that SBD staff reviewed and addressed compliance with the CSBE program. The Contracts & Specifications Section of the PWWMD is responsible for any other issues that may exist.

Should you have any questions or need any additional information, please do not hesitate to call-Kelly Duncombe at (305) 375-3136.

Contract Measures Recommendation		
Measure	Program	Goal Percent
Trade Set Aside	CSBE	

Reasons for Recommendation	
Analysis of the factors in Section VLD of Implementing Order 3-22 indicate that the following recommendation is appropriate:	
Trade Set-Aside: Traffic Stripes and Markings (Painted and/or Thermoplastic)	
Trade Set-Aside: Concrete Work (Sidewalks and/or Curb and Gutter).	
This project is a resubmittal from 08/15/11. It was resubmitted to remove the Trade Set-Aside requirement from the Signage, Adjusting/Reconstructing Existing Structures, and Drainage scopes of work as they are not considered Specialty Trade Components but rather incidental scopes of work required for project completion.

GOAL DEFICIT MAKE-UP REPORT as of: January 1, 2012

This report list firms that DID NOT fulfill a small business goal on a contract and must make-up double the value of the small business goal deficit on an existing or future contract. To address the deficit, these firms are required to submit a make-up plan as part of any future bid or proposal for future County contract until the goal deficit is resolved/satisfied.

For ANY new bid/proposal, the following firms must submit a Make-Up Plan and corresponding Schedule of Intent Affidavit (SOI) or Letter of Agreement (SBD Form 105, 400 or 504), as appropriate, addressing ALL or a PORTION of the "Make-up Balance" Amount listed. If a firm fails to include the SOI with any new bid/proposal it will result in the bid/proposal being deemed NONRESPONSIVE.

LICENSE REQUIREMENTS:

At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and these Solicitation and Contract Documents, the Bidder must hold a valid, current, and active Certificate of Competency as a General Engineering Contractor or as a Specialty Engineering Contractor, commensurate to the requirements of the Scope of Work, in one or more engineering crafts to include Paving Engineering and Concrete Work engineering. The specialty contractor shall subcontract with a qualified contractor any work which is incidental to the specialty but is specified in the aforementioned Code as being the work of other than that of the Engineering Specialty for which certified.

Pursuant to Section 255.20, Florida Statutes (F.S.) and in lieu of the above, the County may consider a bid from a Bidder that is a duly licensed Contractor in good standing that has been prequalified and considered eligible by the Florida Department of Transportation (FDOT) under Section 337.14, F.S. and Chapter 14-2, Florida Administrative Code, to perform the work described in the Contract Documents. Contractors seeking consideration under this Paragraph shall submit along with the Bid Documents for review and consideration, current copy(ies) of their FDOT Certificate(s) of Qualification, Certification of Work Underway, and Status of Contract (s) On Hand. Acceptance FDOT prequalification(s) necessary to perform the work specified in the Project's Scope of Work shall include the Flexible Paving Work Class.

The Contractor shall furnish Certificates of Insurance to the County prior to commencing any operations under this Contract. The certificates shall clearly indicate that the Contractor has obtained insurance, in the type, amount and classification required by these Contract Documents.

BID DOCUMENTS:

Bidding documents may be purchased from the Miami-Dade County Department of Public Works, Contracts and Specifications Section, 111 NW 1st Street, 14th Floor, Miami, Florida 33128 for a non-refundable fee of Twenty Five dollars (\$25.00) per each complete set of documents. Payment shall be in the form of a company check, cashier's check, or money order payable to the "Board of County Commissioners of Miami-Dade County, Florida."

The Trade Set-Aside for the scopes of work are the following: Paving Markings, Adjusting/Reconstructing/ Existing Structures, Drainage; Concrete Work (Sidewalk & Curb and Gutter) and Signage.

ADDENDUMS - RFI'S

The Public Works Department has made changes with regard to how addendums and requests for information (RFI) will be sent to document holders. Be advised that all Addendums, RFI's, and the document holders list (bidder's list) are now available to view online at the following web address:

http://www.miamidade.gov/DPM/current_opportunities.asp

Therefore, during the advertisement period, the Department will not be sending these documents via certified mail. All document holders must provide a dedicated fax number available at all hours. The Department will only be sending addendums and RFI's by fax and posting online at the aforementioned link. The bidders list will be updated every Friday during the advertisement phase of the contract. Please be aware that acknowledgment of receipt of all addendums and RFI's remain a requirement when submitting bids.

VENDOR REGISTRATION:

Due to the new Vendor Registration procedures of the Department of Procurement Management, updated definitions along with the "Affirmation of Vendor Affidavits" has been added to the Bid Submittal Package. The successful bidder must be registered under this new procedure prior to award.
